### County Program Profile: Napa

The QCC County Program Profile provides county data from the Common Data File (CDF) and the Annual Progress Report (APR). For counties that are a part of a consortium, the QCC County Program Profile provides a combined view of the CDF and APR. Both qualitative and quantitative data are presented to provide a local view of early learning and care climate.

### QRIS :: Quality Counts Napa County

Napa County's voluntary Quality Rating and Improvement System, Quality Counts, serves programs in Napa County and is administered by First 5 Napa County. Quality Counts Napa County enhances early care and education of children from birth to age 5. Early education providers who participate receive support and recognition for implementing research-based practices to provide high-quality environments and experiences for our community's children.

QCC Tier Rating Distribution

Footnote 1: Providers receive tier ratings based on how well they meet program standards and guidance, which follow three core areas (1) Child Development and School Readiness, (2) Teacher Qualifications and Teacher Interactions, and (3) Program Leadership and Learning Environment. Tier ratings help providers identify areas for improvement and find ways to sustain success.

## Testimonial

*I feel it is very important to keep improving my facility year after year. Since becoming a member of Quality Counts Napa, I have been provided opportunities for staff trainings, information about curriculum tools, licensing support, professional development support, and facility funds for enriching my site. Quality Counts Napa has been a key provider to increasing my school's growth and development for our students, families, and faculty.*
